

# QUESTIONS TO ASK YOUR CHILD'S TEACHER

*Connecting with your child's math teacher not only allows you to better help your child if he or she is struggling, it opens a dialogue to help your child succeed.*

**1. What math concepts does my child understand well? What concepts does he/she struggle with?**

---

---

---

**2. I want to make sure my child passes algebra by the time he/she enters 9th grade. What specific things does my child need to learn or do to get there?**

---

---

---

**3. If my child needs extra help, what resources are available?**

---

---

---

**4. What can I do to help my child with this class?**

---

---

---

**5. Are there any online resources that are aligned to the district's curriculum?**

---

---

---

**6. What classes should my child take to be ready for college?**

---

---

---
